## ITEC Unit 47 Stone Therapy Massage Evidence of Treatments

Evidence of treating a range of 3 clients on 3 separate occasions each with Stone Therapy Massage and outcomes recorded.

These are internally assessed by the college lecturer and verified by the ITEC Practical Examiner

To include:

- Consultation
- Medical History
- Stress levels at home and work
- Treatment Details
- Client Feedback
- Aftercare/Home care advice

Treatments should be evidenced through the consultation form. See [www.itecworld.co.uk](http://www.itecworld.co.uk) for a sample consultation form and evidence of treatments guidance form.
